### Last Week We Learned about the YMCA

Steve McEuen, Branch Operations Director of the YMCA gave us a rundown on all that is happening at our local Y. Their goal is to make the world a better place to live. They feature affordable care, before & after school care, health & wellness support, youth & child development. They have 3 yr. plan to prepare for their 170<sup>th</sup> birthday celebration. One of their popular programs is Girls on the Run for 3<sup>rd</sup>-6<sup>th</sup> grade girls. Scholarships are available. Also, if you are 62 + the Silver Sneakers program may pay half or all of your membership fee.
